MEMORANDUM FOR: [REDACTED]

SUBJECT:

Maps for [REDACTED]

1. The enclosed maps were requested directly from the Map Library by [REDACTED] under its requisition #60822/4220/0056 dated 7 August 1964 (copy attached). It is requested that these maps be forwarded to [REDACTED] in time to meet its 30 August deadline, if possible.

2. In addition to the enclosed maps, the Command has requested continuing information on the availability of new maps pertinent to its area of operation. As a means of complying with this request the Map Library suggests that it increase the present automatic distribution of maps to [REDACTED] from two copies to three copies: the third copy could be disseminated to [REDACTED]. This suggested automatic distribution would provide [REDACTED] with one information copy of all new Agency produced maps of the Far East and Southeast Asia up to the classification of Secret, additional copies of these maps could then be ordered as required. Please advise the Map Library if this suggestion meets with the approval [REDACTED]
